

# Travelling Travel Gavel

## RULES OF THE TRAVELLING TRAVEL GAVEL

1. Travel Gavel to be passed on to another club by making a club visitation with no less than two members.
2. Gavel must be passed along within 3 weeks of receiving it, to keep it moving on. Gavel cannot go back to a club that has already had it. Each Club must fill out the Travelog.
3. Please make a cheque out to Lions Club of Kerang at the rate of \$1/ km as a distance tax between the two clubs and send it to Lions Club of Kerang ASAP, together with this form. Monies collected will go into a Gavel Bank account and will be presented to Cabinet at the next Convention to go to the V6 Foundation, eg. Kerang to Barham/Koondrook is 24 km so distance tax is \$24. Tax will be increased to \$2/km if gavel is held for longer than 3 weeks.  
**KEEP IT MOVING!**
4. Any photos or stories can be sent/mailed directly to Carol Kennedy to go into V6 Roar.
5. Club with the Gavel on the day before the District Convention must bring it with them together with their cheque.
