## **Corowa Lions Club 2025**

### **48<sup>th</sup> 201 V6 District Lions Convention - Final report**

Corowa Lions convention committee worked feverishly over the last 12 months to bring about the 48<sup>th</sup> 201 Lions V6 District Convention. After a slow start with registrations the committee was very pleased with the final result being 153 overall registrations – a good result.

I must congratulate Lions Betty Potter from Rutherglen Lions Club and Lion John Jones for the wonderful work they both did getting all the registrations together and the tremendous amount of time they put into this mammoth task under very trying conditions.

The rest of the committee also put in a great effort making sure all the “I’s” were dotted and the “T’s” crossed. The committee met as a whole once very month over a 12-month period until the final few weeks when they met very week up to the Convention.

We wish to thank all the Corowa businesses that helped out and supported the Lions Club over the last 12 months and without this support we would not have gotten over the line.

The Corowa St. Mary’s School were wonderful to work with and the venue was one of the best venues we have had for a number of years. There was plenty of room for conventioners and the district displays to be all in the one room and having the stage on the long side gave all attending the ability to not only be much closer to the speakers but also the ability to see the visual display.

The food was presented by 2 caterers – The Corowa CWA Ladies who gave us morning and afternoon teas and lunches on both days – wonderful. Then we had the Blue Gum Catering crew for Saturday night with Kate and the girls providing the Saturday night dinner and table waiting service. We should not forget the Corowa Lions who all worked in the background making sure we had clean cups and plates all weekend and also kept the whole food procession ticking over.

Thanks to District Governor Paul and our deputy convention chairman Stuart Whisson we had some great guest speakers and all who attended were treated to some fantastic presentations.

Thanks to the District Chairman who presented their portfolios on the 10 display stands around the hall. A great way for all conventioners to refamiliarize themselves with what is going on throughout the district – a great job and well done to you all.

The Saturday night function was very well supported with the theme being “Law & Order” and the greater proportion making the effort to get dressed up and make the night what it is meant to be – FUN! The whole night was helped along with Brendan Scott and his music playing us some of his old favorites and some more recent songs. This all proved too much for the Kerang mob to resist as they spent all the evening jiving on the dance floor joined by many others as the night wore on.

Lion Peter May and his crew surpassed themselves with the remembrance service on Sunday morning. A very respectful and well thought out service that honored our past Lions and partners over the last 12 months. I think everyone would agree!

As Convention Chairman I would very much like to congratulate District Governor Paul, Cabinet Secretary Lee and all the organizing committee and club members for their commitment and the energy they all contributed to the running of the 48<sup>th</sup> 201 V6 District Lions Convention.

Convention Chairman
